

Welcome to the Parish of Our Lady of Lourdes

HAFA ADAI and welcome to the website of the Parish of Our Lady of Lourdes in Yigo, Guam.

I am happy you stopped by. We hope that you will find something that interests you here.

We are an active parish in the northern part of the island of Guam in the Western Pacific. Our parish membership is diverse and all are welcome here with the peace of Jesus Christ. Throughout our history we have been a tremendous influence for the good in our part of Guam and we continue to look to God's grace for the strength to reach out in service and charity to our community.

We would like to meet you. If you are on Guam and looking for a Church home that is welcoming and vibrant, then we would love to have you visit.

May the Lord in His infinite goodness bless you.

Sincerely,

Fr. Jeff San Nicolas
Pastor
